## ▶ Kansas State Friends

Kelli: She's been my best friend since kindergarten, and she a girly- girl. She and I don't have a lot in common, but we are still best friends.

Jen: She my older sister. We weren't close in the beginning, but now we are very close. Jen enjoys texting and like Kelli, she doesn't have a lot in common with me.

Mom: She's very close with me since Dad died. We're not best friends but we are very close.

## Personal Info

Interests:

I'm a tomboy. I love being outside and I LOVE rocks. My dream: going to the Grand Canyon. I mean the Grand Canyon has the most rocks in the world! Who wouldn't want to go there?

## About Me:

I have a few problems. My dad died when I was little from cancer. I can't control my temper. My sister is terribly annoying. Oh, and I hate Richard Frey. He calls me Science freak, and trips me. He got me in trouble with the principal. He tripped me and because of my temper, I kicked him back. The recess lady caught me and I was sent to the principal's office. I almost didn't go to the Grand Canyon, because of Richard Frey. But I got him back. Using my rocks, in the middle of Richard's talent show act, I made his hair glow-in-the dark. But now he likes me. I'm confused, and I sure wish my dad were here to help.

Do you like rocks? Do you know a lot about them? Have you ever wanted some of your own? Well, now you can! Click now to buy your own glow-in-the dark rocks!
